

8 Years of Excellence and Innovation!

Happy
Anniversary

As we celebrate 8 years in business, we at DOC DASH are filled with immense gratitude for the unwavering support and trust of our clients, partners, and team members. This milestone is a testament to the dedication, hard work, and innovation that have driven us forward since our inception.

Over the years, we have strived to create impactful, reliable, and user-friendly solutions that address the needs of our community. Your belief in our vision has been the cornerstone of our success, and for that, we are profoundly thankful.

Reflecting on our journey, we are proud of the progress we have made and the positive impact we have had on the community. Our growth and achievements would not have been possible without the collaboration and commitment of our incredible team, whose passion and expertise continue to propel us to new heights. As we look to the future, we remain dedicated to pushing the boundaries of innovation and delivering exceptional value to our stakeholders. Thank you for being an integral part of our story; we are excited to continue this journey together.

Sincerely

Kimberly St. Clair

DOC DASH WBEIMBE CERTIFIED

July started with a BANG!! 🚧 DOC DASH is proud to announce its recent certification as both a Women's Business Enterprise (WBE) and a Minority Business Enterprise (MBE) through St. Louis City Lambert International Airport. This prestigious recognition underscores our commitment to diversity, excellence, and innovation. Being certified as a WBE and MBE not only acknowledges the hard work and dedication of our team but also opens up new opportunities for growth and collaboration within the community. We are thrilled to be part of a network that values and supports diverse businesses, and we look forward to contributing to the economic development of St. Louis.

Achieving these certifications is a significant milestone for DOC DASH, reflecting our ongoing efforts to lead in the fields of safety and communication systems. As a certified WBE and MBE, DOC DASH is now positioned to engage with a broader range of partners and clients who prioritize diversity and inclusion in their business practices. This achievement aligns with our mission to innovate and set new standards for safety, while empowering underrepresented groups in the industry. We are excited to leverage this certification to further our impact and continue driving positive change in our community.

Expanding Opportunity: Transforming Community Safety Through Our 501(c)(3) Initiative

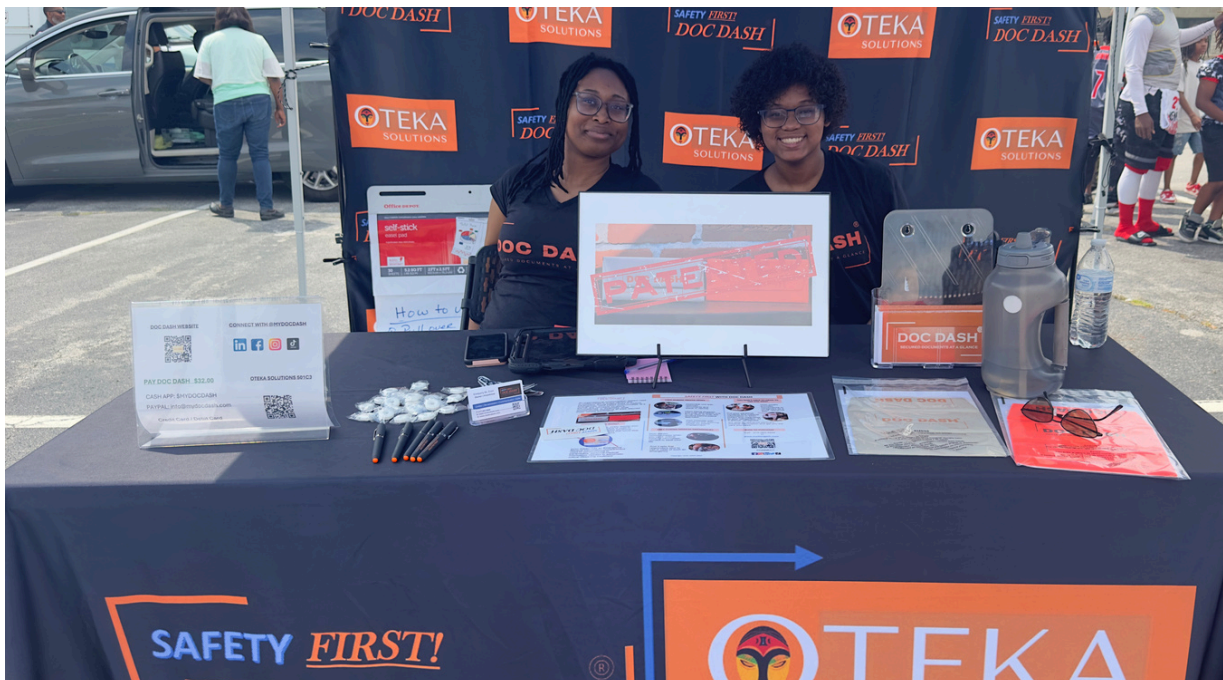

Oteka Solutions is a 501(c)(3) nonprofit organization dedicated to reducing volatile outcomes during police engagements. As ambassadors for safety, we are committed to standardizing protocols that respect the humanity of all involved and save lives. Our mission focuses on raising awareness about road safety, fostering education on police engagement, and implementing proactive measures to prevent accidents, mitigate risks, and ensure the well-being of everyone.

Through our nonprofit status, we are able to secure grants and collaborate seamlessly with charitable organizations. The resources we obtain enable us to expand our Protocol to Police Engagement workshops and distribute DOC DASH units more widely.

We are actively building relationships with community partners such as Walmart, Sam's Club, and Costco. We are confident that by staying committed to our mission and demonstrating our impact and value, we will continue to make significant strides in enhancing community safety and well-being.

Dynamic Duo Steals the Spotlight

DOC DASH and OTEKA SOLUTIONS took center stage at the community vendor event hosted by the North County Cooperative Police Department on the grounds of Normandy High School. The event showcased local businesses and organizations dedicated to enhancing community services and well-being. DOC DASH and OTEKA SOLUTIONS garnered significant attention for their potential to streamline police engagement and unify the community through safety.

This event not only highlighted the practical applications of DOC DASH but also emphasized the value of collaboration. The enthusiastic reception from attendees affirmed the importance of this partnership, leading to invitations for future collaborations.

Revolutionizing Police Engagement and Transforming Law Enforcement Training

Exciting news for law enforcement professionals in Missouri: DOC DASH's groundbreaking Protocols to Police Engagement has officially been developed into an accredited course! This course offers a comprehensive approach to enhancing police interactions through advanced de-escalation techniques. Officers who participate will earn 2 credit hours towards their continuing education requirements, underscoring the importance of ongoing training in effective communication and conflict resolution.

The accreditation of this course marks a significant step forward in integrating DOC DASH's innovative protocols into the fabric of police training. By focusing on practical strategies for de-escalation, this course aims to equip officers with essential skills to manage high-tension situations more effectively. This development not only highlights DOC DASH's commitment to improving community safety but also demonstrates a proactive approach to advancing law enforcement practices in Missouri.

We invite you to join us in transforming the landscape of police engagement and road safety.

OTEKA SOLUTIONS is our 501c3 that expands our reach with charitable giving. Your financial support will enable DOC DASH to expand our groundbreaking protocols and educational workshops, fostering safer and more respectful interactions between police and communities. Together, we can reduce the risks and volatile outcomes during police engagement, ultimately saving lives and promoting mutual understanding. No donation is too little or too small. Thank you in advance
